

# THE LENCHES OPEN AIR THEATRE

## JUNE 2020 UPDATE

There have been quite a few developments in the last few months and we want to keep everyone informed about what is happening.

On May 5<sup>th</sup> we announced via the SLPC website that funding had been secured from Wychavon District Council through their Community Legacy Grant scheme for the building of an Open Air Theatre and a small building to house equipment and provide performers' changing facilities.

Just recently the project has been able to secure a very good deal for the supply of bricks. In order to be able to take advantage of this deal the bricks will be delivered very shortly for storage in a designated area on the edge of the sports field.

Detailed designs for the theatre and associated facilities are now being drawn up. As the next step, the designs will be submitted as part of a formal planning application. As usual, there will be full consultation during this process.

The Lenches community will be kept informed as the project progresses. If any residents have questions they should be directed in the first instance to:

Nicky Holland, Clerk, South Lenches Parish Council. Full contact details can be found on the SLPC website, [www.southlenchesparishcouncil.org](http://www.southlenchesparishcouncil.org)
