

## THE LENCHES OPEN AIR THEATRE

### AUGUST 2020 UPDATE

There has been good progress on the plans for the Open Air Theatre.

Following the confirmation of funding from Wychavon District Council and LSRC through their Community Legacy Grant the project steering committee has been busy finalising the proposed design and a preliminary planning submission has been made to Wychavon.

As previously announced, the project team were able to secure a donation of several thousand bricks from Jewsons. We are very grateful to them for their generosity. The bricks are now stored on the playing fields.

The next step will be to submit the detailed planning application to Wychavon. All residents will be able to access this via the WDC planning portal.

The Lenches community will be kept informed as the project progresses. If any residents have questions they should be directed in the first instance to:

Nicky Holland, Clerk, South Lenches Parish Council. Full contact details can be found on the SLPC website, [www.southlenchesparishcouncil.org](http://www.southlenchesparishcouncil.org)
