1. Introduction

South Lenches Neighbourhood Plan Group commissioned WRCC to conduct a Housing Needs Survey during January 2017 on behalf of South Lenches Parish Council. The aim of the survey was to collect local housing needs information within and relating to South Lenches parish.

Each household across the parish received a survey form and the front page explained why the survey was being undertaken. Spare forms were available from a number of sources. A copy of the survey form can be seen as Appendix A to this report.

Respondents were assured that any information they disclosed would be treated in strict confidence.

Completed survey forms were posted via a 'Freepost' envelope to the WRCC Rural Housing Enabler and analysis of the information provided took place in February 2017. Completed survey forms are retained by WRCC.

For the purposes of this document the term respondent refers to an individual survey form.

2. Results

350 Housing Needs Survey forms were distributed and eight respondents indicated a need for alternative housing, equating to a response rate of 2.29% which is an average response for this type of survey.

Section 2 provides a breakdown of information from the respondents and a summary of the identified needs can be seen at Appendix B to this report.

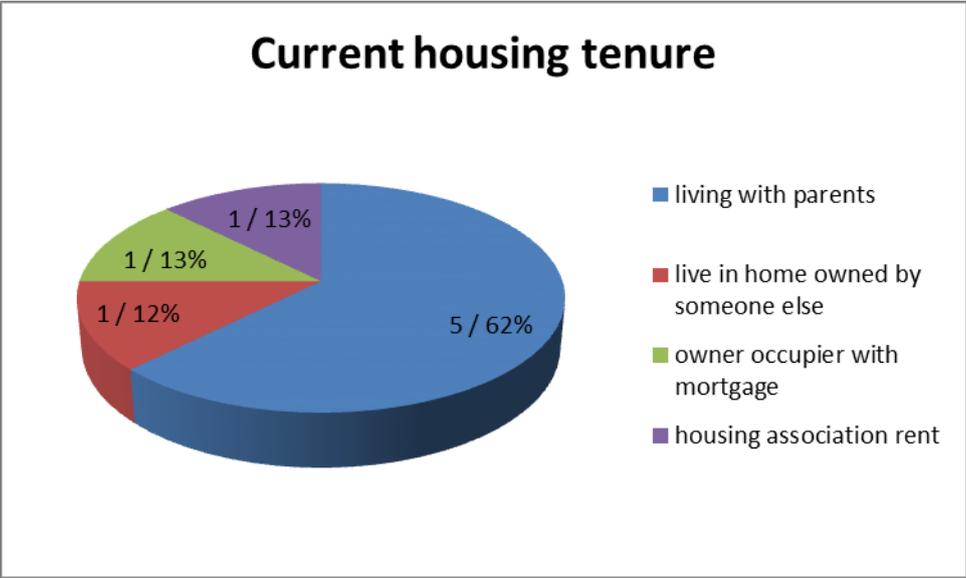

Q1: Details of all household members seeking housing and contact details

This question asked respondents for the details of all household members seeking housing together with contact details. The information provided is private and confidential and not replicated within this report.

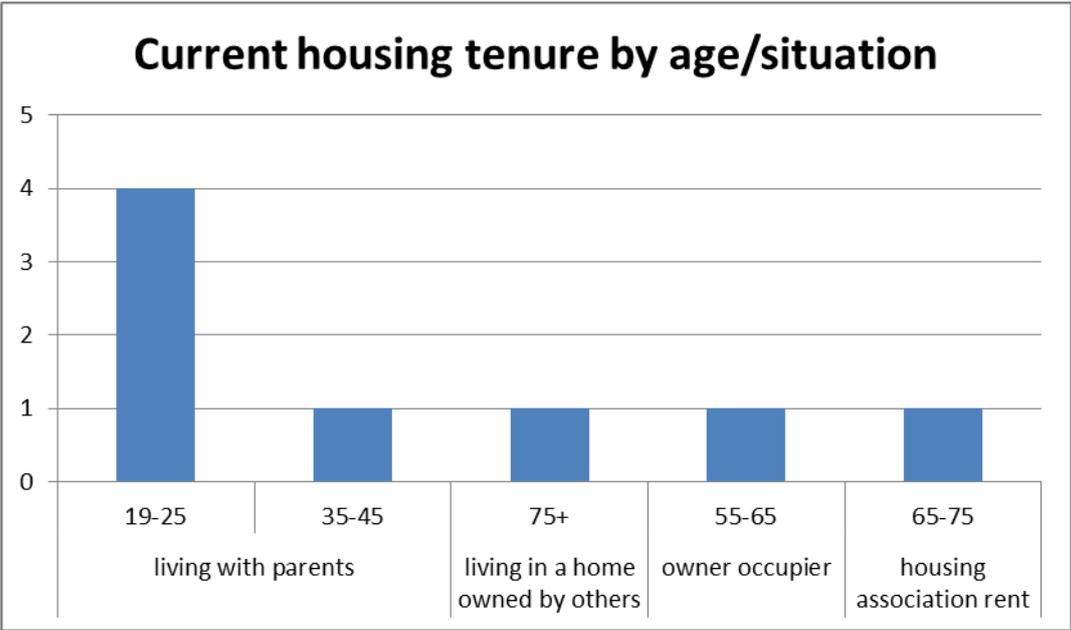

Q2: Your current housing circumstances

The following chart shows the current dwelling tenure for the eight survey respondents, 62% of whom currently live with their parents.

Unsurprisingly seven of the eight respondents currently live in a house and one respondent currently lives in a bungalow.

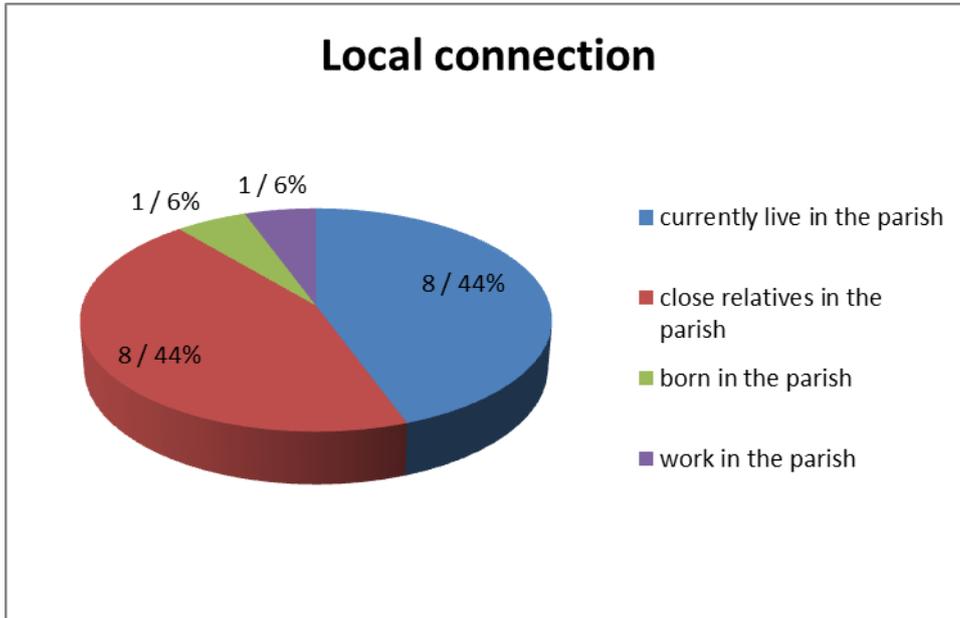

The five respondents living with their parents range in age from 19 years to 36 years whilst the respondent living in a home owned by someone else is 75+ years. The owner occupier respondent is in the 55-65 years age range and the respondent currently occupying a rented housing association property is in the age range 65-75years.

None of the respondents indicated that they predominantly work from home or that they occupy or need dedicated work space.

Q3: Local connection

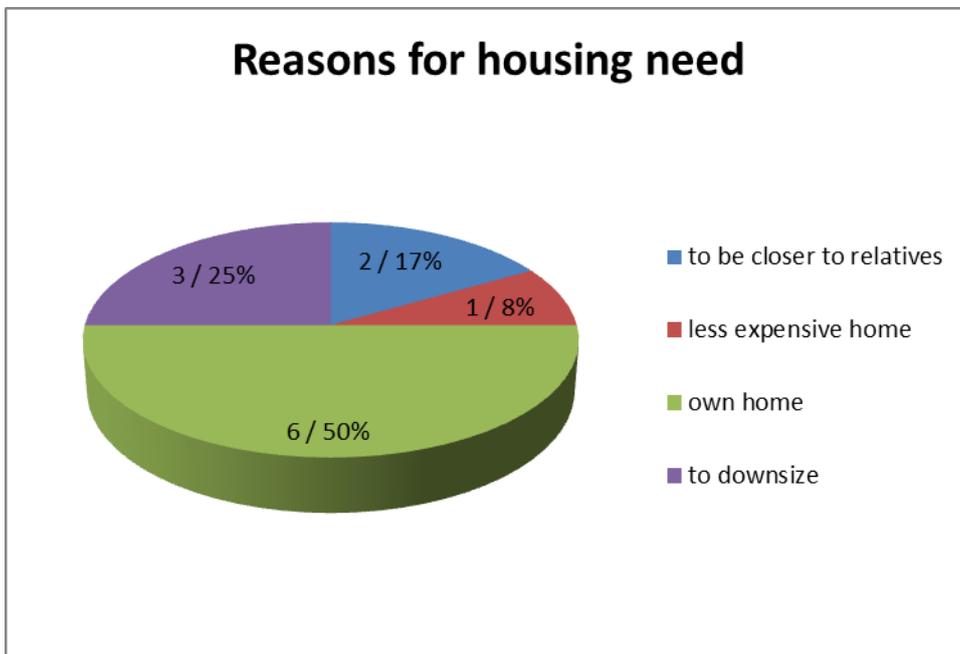

The following chart shows the types of local connection that the eight respondents have. Respondents were able to indicate more than one type of local connection.

Q4: Why do you/your household need alternative housing?

Respondents were asked why they need alternative housing and the following chart shows all the reasons for the housing needs. Respondents were able to indicate more than one reason for need.

The main reason for requiring alternative housing was “own home”, at 50% of the responses, followed by respondents wishing to downsize at 25%.

Q5: Housing waiting list

Two of the respondents indicated that they are currently registered on the District Council's housing waiting list, known as Home Choice Plus.

Q6: Type of housing required

The responses within this section aid the analysis but are not replicated within this report.

Q7: Financial information

The responses within this section aid the analysis but are not replicated within this report.

3. Determination of Specific Housing Need

Where a respondent indicates a preference for shared ownership their ability to enter into a shared ownership arrangement is assessed. The mortgage the respondent could raise is compared against a 50% share (the usual starting percentage for shared ownership) of a comparable owner-occupied property, as demonstrated through the research shown in Appendix C to this report. Having assessed whether the respondent could afford to enter into a shared ownership arrangement if they could not do so they are re-classified as being in need of rented accommodation from a housing association. Similarly where a respondent indicates a preference for an owner-occupier dwelling their ability to enter into such an arrangement is assessed and where it is identified they could not do so they are re-classified as being in need of shared ownership or rented accommodation.

4. Conclusion

The survey identifies a need for eight homes for households with a local connection, as detailed below:

Housing association rent

- 2 x 1 bed flat
- 1 x 1 bed bungalow

Housing association shared ownership

- 1 x 1 bed flat

Owner occupier

- 2 x 1 bed flat
- 1 x 2 bed house
- 1 x 3 bed house

5. Acknowledgements

Gratitude is expressed to all those who delivered the survey forms across the parish.

Housing Needs Survey for South Lenches Parish

Many thanks to all who completed the earlier survey which is in the process of being digitally analysed. At the time of drafting this foreword final numbers are not known but it looks as though we will have received an excellent response by the Christmas deadline. Results will be published in due course.

We now need the second set of statistics to complete the picture which will shape the direction in which your Neighbourhood Plan is going to go. The survey is being carried out for South Lenches Parish Council by WRCC, an independent charity who will carry out the analysis and it will retain all survey forms.

Unlike the earlier survey this form is to be completed ONLY if your household, or anyone in it, has a housing need.

This data is collected for the purpose of identifying housing need only and will not be used for any other purpose. All information will be treated IN STRICT CONFIDENCE and neither the Parish Council nor any of its representatives or anyone outside of WRCC will see individual replies.

A separate form should be completed by each household in housing need.

Completed survey forms should be returned by 5th February 2017 using the attached Freepost envelope.

Spare forms are available from Denise Oates (tel: 01386 870520), inside the Church or can be downloaded from www.thelenches.org.uk. If you need help in completing the form please feel free to contact me on 01386 642213 or email jacksons.lenches@btinternet.com.
